- ### Meet Our Missionaries In Residence

Every day we will meet one of our leaders and learn a little bit about them.

Ted, Sarah, Abigail, and Simon Voigt are volunteer missionaries serving the Church of the Nazarene in the Republic of Ireland. They live in Wicklow, an area on the east coast of Ireland, just south of Dublin.

Since January 2013, they have served alongside of Stephen & Annette Morley, fellow Nazarene missionaries, and together have become involved in their local neighborhoods. Just as "the Word became flesh and moved in among us," so the Voigts seek to share the love and hope of God in their neighborhood. This past year relationships have continued to deepen through work in their community, both within continuing relationships and NEW works.

They look forward to sharing with you about their unique Irish neighborhood, the good work that God is already doing, and the hope and vision God is giving them for the future. Come and listen to their stories... hear the call from the Word of God... and become partners in the mission of God, taking place not only in Ireland but also in YOUR neighborhood.

Ted and Sarah have 2 children -- Abigail is a talkative, inquisitive, and imaginative four year old, who enjoys princesses, Legos, and stories. Simon was born on the 31st of December (2013) and is beginning to say his favorite words like BUBBLES and DUCK, and of course MA-MA. We look forward to meeting you, sharing some of our story, and hearing yours!

Have you thanked a camp worker/volunteer yet? We have a great staff of workers and volunteers that help out in the kitchen, doing safety, running the audio/visual equipment, running the computer for the services, staffing the snack shack, staffing the Mission Station and others. Please take time to say thanks to those who have given their time this week to help make camp a better place.

**13th Annual Camp Run
Have Motorcycle Will Ride**

Sat. August 1, 2015 is the 13th Annual Camp Run. Started by a couple of guys wanting to ride together while raising some extra funds for Family Camp. Many riders have come and gone and some even returned. The Lord has greatly blessed us as we have twisted throttles for Him.
