*Every day we will meet one of our leaders and learn a little bit about them.*

Ministering now as a team since 1997, Adams Voice knows that leading people to a personal encounter with a loving Savior is the soul purpose of their call. The focus of their ministry is to attest to the power of God through worship, inviting Him in to change lives. Woven into their repertoire of the familiar are original songs resonating with scripture, written from personal testimony inspired by real-life circumstances. Their music spans a wide range of styles, as they endeavor to reach all age groups.

delight of singing the National Anthem at NFL and Minor and Major League Baseball games, as well as other events.

*Don't miss the opportunity to let this uniquely gifted group cross the path of your life's journey. Their music will challenge, uplift and echo in your heart.*

**D**avid - Strengthened with a family legacy of music, David desires to serve the Lord through song became apparent at the early age of 19. His sensitivity to the Holy Spirit is evident as he draws audiences into an authentic worship experience. David has held positions of Youth Pastor and business owner. Scheduling, public relations, producing and being lead representative for the group are a few of his duties. David sings lead and tenor, directs worship, and drives the group from state to state. He is husband to Charlene and daddy to Emma, Johnny,

Anna Mae and Luke.

**C**harlene - She is known for her prolific songwriting and ability to connect with the audience through her genuine stage presence. While her background in music training is strong, Charlene never realized its impact, nor her calling, until her sister, Andrea, died as a result of the Olivet Nazarene University Orpheus Choir van accident. Her 19 year old heart became adapted to resonating with and infusing hope to bruised hearts. The Lord has gifted her with anointed lyrics and a passion to minister. Charlene has a Bachelor's in Education (which she now uses to home school her children), runs Journey of Faith Music Publishing and sings lead, alto or second soprano. Charlene is wife to David and mommy to Emma Beth, John Maeson, Anna Mae and Luke Spencer.

**Tuesday evening everyone had a great time eating corn on the cob at the annual corn roast. Thanks to all those who cooked and served the corn.**

**Have been enjoying the services this week? Did you know that you can purchase a copy of the services on either DVD or CD? Near the entrance to the tabernacle that leads to the snack shack you will see two wonderful ladies and one wonderful man who would love to help you to be able to take the camp services home with you. The cost for the DVDs is \$15 and the cost for CD's is \$5.00. You can stop by and speak with them and they can get you all set up and you can take these home with you.**

**Sandy Greenlee spoke for a few minutes and told how well the district, you, had done in the last church year with our World Evangelism Fund. Paid in Full!!! Praise the Lord!!**

**Sandy also talked about the international Work and Witness effort and encouraged everyone to stop by the Work and Witness table to check out what is happening. Also there is a silent auction going on for a hand painted candle table lamp. Stop by to look at all that is on the Work and Witness table.**

**I**Stand—with these words in mind Rev. Shellenberger brought a great message, using the three men in the furnace. God was with them in the furnace. God did not place them in the furnace, but He was there with them. We have that assurance that God is with us in our furnace. You don't want to miss the two worship times each day and miss what God has been saying to each of us through the preaching of our two evangelists.

**R**ev. Ray Stark lead our morning Bible study time yesterday out of Romans 6. We broke up into groups of 5-6 give or take 4-5, and we broke the passage up into two sections, discussing our thoughts on our morning Bible study. It is a great time to delve into the Word.

### Pray For Our Teens

If you have not stopped by the Teen Prayer Photo wall, please make a decision to do that today. Your prayers can make a difference in the lives of our district teens. They are checking the wall every day to see if someone has chosen to pray for them this year. Don't disappoint them. There are many photos left to choose from. If we don't choose to support our youth, they may choose the way of the world instead of God. It is OUR responsibility to make sure they know they are loved!

## Ladies Prayer Time! Meet in the Tabernacle on Thursday at 3:30 pm
