Great Things Are Happening At Family Camp

The Jubilee Gang has been doing a great job with the kids in the evening. There have been kids going to the altar and kids praying together for each other.

It has been a great thing to see.

Have you thanked a security officer yet? If not when you see them walking down the sidewalk in their orange vests, stop them and give them a hug!

If you missed the service Wednesday evening you missed Sandy talking to us about missions, and hearing about Work and Witness. If you have not stopped by the Work and Witness tables you need to stop by. There is information about our international Work and Witness for Feb. and our domestic Work and Witness.

It is hard to believe that our week is nearing an end, have you stopped by the audio/visual table to get CD’s or DVD’s of the weeks services or teaching? Have you stopped by the Mission Station and purchased items to support Work and Witness? Have you stopped by the missionaries table and gotten information about them and how you can help them? Don’t let the week end without doing these important items.
